EXCISIONS EXEMPTED AS INDICATED

Dear Mr. Tumminia,

The Campaign against the Peoples Temple in Guyana is Continuing, but thousands of People are very Concerned that it stops. Over 3,000 people from this small area alone signed a petition to President Carter and others in Government to protest the Continuing Harassment. I call upon you for support, and hope you will avail yourself of the opportunity to find out for yourself that Jonestown is a work the United States should foster and support.

Respectfully,
